**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We use a small, local ISP because we want to support local businesses. We get great, competitive internet service and support from Omsoft in Davis, CA. We don't want to be forced to lose this option for our service and locked into the big carriers that continually raise prices and treat customers like profit centers. As a retired person on a fixed income, I value the ability to shop for good service and keep my money local.
